

Colfax Support for Haitian Earthquake Victims

Colfax Student Council is organizing a schoolwide effort to help the children and people of Haiti suffering from the aftermath of the horrible January earthquake.

We are working with Pittsburgh-based Brothers Brother Foundation to collect hygiene items to be sent to Haiti. Here is their information.

Haiti Earthquake Aid Donation Guide

Brother's Brother Foundation is responding to the devastating earthquake which struck Haiti on January 12, 2010. At this point, BBF is collecting hygiene packages to be sent to Haiti within the next few days. Especially needed are:

Baby wipes or wet wipes
Non-liquid soap
Wash cloths
Toothpaste
Toothbrushes
Combs and Brushes

Please no shampoos or any materials that might leak. These buckets will be added into the containers BBF will be sending off to Haiti in the next few days.

Please bring all contributions to your homeroom teachers. Student Council will arrange to pick up contributions and get them to Brothers Brother for transportation to Haiti.

For more information please contact Student Council members or Ms. Dawson at kdawson1@pghboe.net.
