About our Party....

This adults-only fundraiser, with 250 attendees, will be on February 18, 2012 at the University Club in Oakland. All funds raised will enable the Colfax PTO (Parent-Teacher Organization) to fund programs that enrich student life at Colfax and provide positive experiences outside of the curriculum. These programs include promotion of a healthy school environment, support of art, music and athletic activities and implementation of smart technologies in the classroom.
